Focus Group Consent Form for Shayla App

I _____ (parent/guardian),

understand that my child _____ (name) has been asked to participate in a focus group for HRW Music Group (Shayla App). The focus group sessions will be held on Zoom.com video conference service (participants have option to block video function on call if parents so desire).

Check here if want video turned off for your child. ()

In addition, parents are welcome to join the conference calls to monitor discussins.

By participating, my child will be asked to share his or her insight on how to most effectively improve the UI and UX of the Shayla App. UI and UX is the overall look, feel and ease of use of an application.

It has been explained to me that this is not a class, but an opportunity for my child’s voice to be heard in a way that will have an impact on the growth of the program. I also understand that by participating in the focus group (termed; TeenTechPods), my child will have opportunity to be listed on a special page on the Shayla app and a page on HRWMusicGroup.com (<http://www.hrwmusicgroup.com/teen-brain-pods/>) giving them special recognition.

Check here if you do not want your child to be listed on the Shayla app and HRWMusicGroup.com. ()

Therefore, I give permission for my child to participate in this project.
